NCC Land Use Department Update

- The NCC Land Use Department held information sessions on implementation of NCC2050 recommendations for Environmental Justice and Economic Development/Redevelopment. The Committee of 100 provided input to the NCC Land Use Department and NCC Executive Office on these topics as well as input on large industrial structures which was discussed in the Economic Development session. If you're interested in further discussions with the Land Use Dept. on these topics, please e-mail ekeller@committeeof100.com.

DNREC Updates

- DNREC has appointed Dr. Katera Moore as the State's first environmental justice coordinator
 - For more information, please go to <https://news.delaware.gov/2023/02/01/dnrec-appoints-dr-katera-moore-as-states-first-environmental-justice-coordinator>.
 - DNREC also launched a new Environmental Justice webpage at <https://dnrec.alpha.delaware.gov/environmental-justice>.
- The Committee of 100 Environment and Energy Committee is currently compiling comments to DNREC on updated HSCA screening level table guidance and PFAs sampling. If you're interested in receiving additional information, please e-mail ekeller@committeeof100.com.
- Amendments to Delaware's Low Emission Vehicle Program can be viewed at <https://dnrec.alpha.delaware.gov/air/permitting/under-development>. On the side of the website, you can click proposed draft amendments for the language. We are working with the New Castle County Chamber and other stakeholder groups to provide input to DNREC on the amendments.

WILMAPCO Updates
