Legislative Update

New Castle County Council:

- Substitute 1 to Ordinance 22-091 (solar rooftop ready ordinance) will go into effect January 1, 2023. This will require any building 50,000 square feet or more to be built with basic infrastructure to allow a rooftop solar photovoltaic system to be easily and cost-effectively installed at a future date.

- To view the NCC Dept. of Land Use fact sheet and information about obtaining a modification, please click [here](#).

- Ordinance 22-101 Amending New Castle County Code Chapter 40 (“Unified Development Code”, Article 5 (“Site Capacity and Concurrency Calculations”) and Article 10 (“Environmental Standards”) relating to critical natural areas

- To be considered at NCC County Council Meeting on 10/25/22. This has received support from the NCC Land Use Department and will amend the calculation for total protected lands. This will become effective if adopted by County Council and approved by County Executive. To view the proposed calculations, please click [here](#).

- Resolution 22-203 appointing members to a task force to review and consider issues relating to condominiums and other common interest community buildings and structures in New Castle County

- The proposed members to the task force to be voted on at NCC Council Meeting on 10/25/22 and plans to have their first virtual meeting on 10/27/22. The purpose is to study and make findings/recommendations concerning the safety and related inspections of condominiums and other common interest community building and structures in New Castle County as set forth from Resolution 22-185.

- Ordinance [22-126](#) to establish neighborhood improvement districts in New Castle County

- To be considered at NCC County Council Meeting on 10/25/22. This will become effective six months after adopting by County Council and approval of the County Executive.

- Ordinance 22-023 relating to suburban zoning district and rearranging into four categories

- Councilman Carter indicated he will withdraw or table the ordinance to rewrite the legislation with input from community organizations and advocates.
